About us

Mission statement

DMR Design&Build aims to provide professional service to its clients' satisfaction by providing service excellence, honouring deadlines, and personalized design according to clients' requirements.

Our Value

- Our Passion for creativity is expressed in everything we do!
- Customer driven
- Bespoke design
- Seamless service delivery
- Staff well-being

Our Vision

Delivering Bespoke and innovative designs down to the smallest detail!

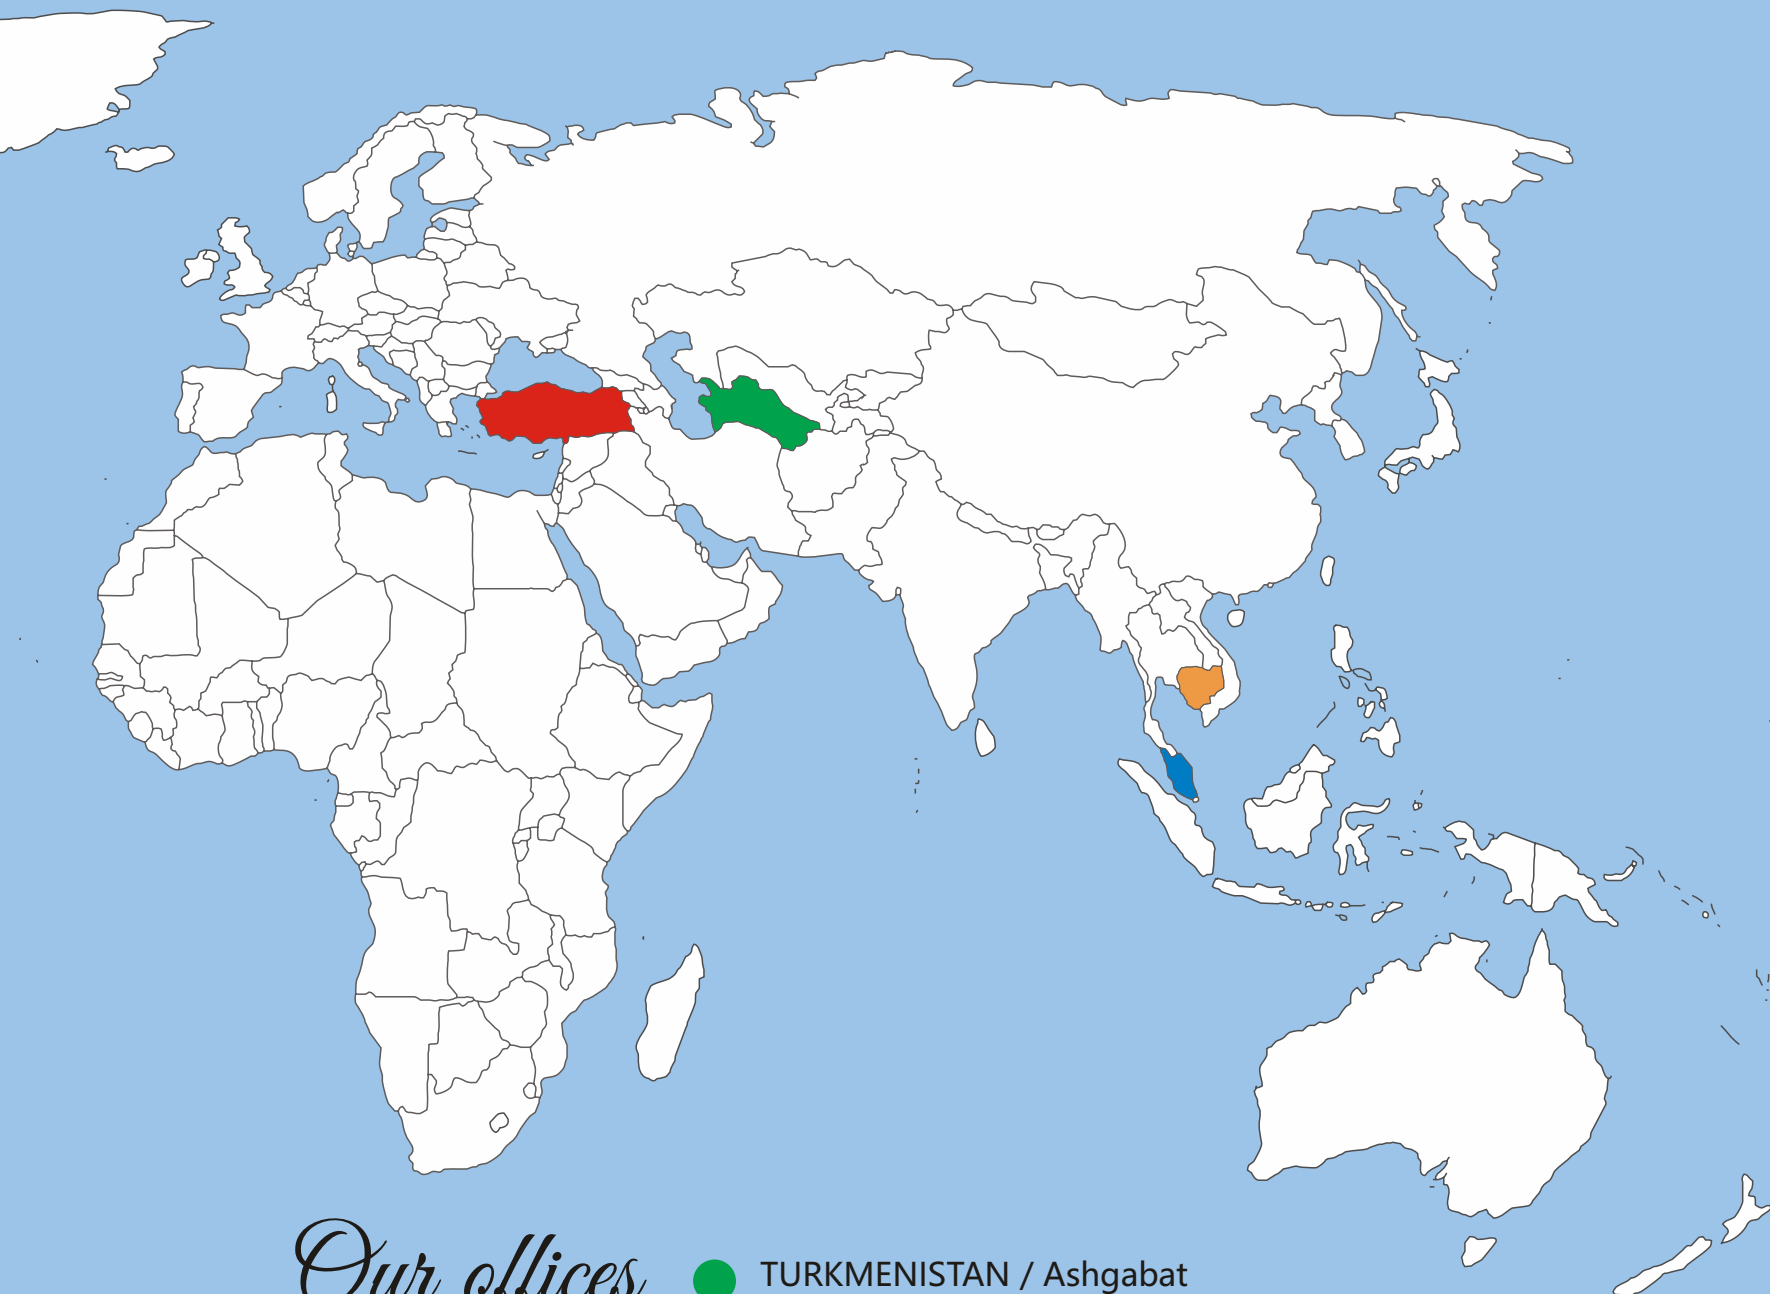

DMR Design&Build has the ability to provide professional services in the areas of Interior design, Project management, evaluating client requirements and procurement of furniture and artworks. DMR Design&Build works with well established architectural companies to provide skills exchange and innovative professional services to satisfy clients' requirements.

Services Offered

- Evaluation of clients' requirements
- Project management and project coordination
- Analysing the space according to client's need
- Liaison with architects, contractors, decorators and other specialists in order to provide a well-executed design scheme
- Procurement of loose furniture and fittings

The above professional services may be segmented into distinctive stages should this be a requirement of the project and tailored according to the client's brief. All the wooden custom made furniture is manufactured locally by one of our associate companies.
